## Homecoming 1970

More than two hundred alumni signed the register in Pennington Lounge on Saturday morning of Homecoming Weekend. This is one of the largest groups ever to return. Some of the high classes were: 1966 with twenty-three, 1967 with twenty-six, 1968 had eighteen, 1969 had twenty-nine present, and thirty-five members of the Class of 1970 returned for the weekend.

On the sports side, returning alumni enjoyed mixed results. The Jayvee football team beat Lock Haven 45-2, the soccer team beat Scranton 5-2, but the varsity lost to Westminster 28-0.

Some of the fraternities made a special effort to get their alumni back on campus, and several are already planning for next year. Homecoming-1971 will be on October 9th. Lycoming will play Western Maryland. Reserve the date and meet your old friends on campus.

## SHRECKENGAST '50 HEADS FUND

Harold Shreckengast, Class of 1950, is Chairman of Alumni giving to the Lycoming College Fund. Harold, a partner in Price-Waterhouse of Philadelphia, has been directing the closing months in the 1970 Fund.

The "Great Stream" publications have emphasized the great need for financial support now. Many alumni have never contributed anything to their alma mater and year end appeals are directed especially to them. A contribution of any size, along with that of many others, will make a significant difference in the financial status of the college. Rising costs make quality education increasingly difficult.

Your response by December 31st to the area telethons and other year end appeals will be appreciated.
